

Downtown and Waterfront Area Revitalization and Universal Accessibility Co-Application

This program allows the support of Program 13 for front façade improvements in the Downtown and Waterfront Sub-Area to be stacked with the support under Program 1 and/or Program 2 for universal accessibility.

Available Funding:

Eligible applicants who qualify for Program 13 AND Program 1 and/or Program 2 can qualify to receive a rebate under Program 15. Available funding is dependent on the amount of funding an applicant is eligible to receive under each qualifying program. Please see program specific information sheets for more information on available funding.

Criteria to Meet:

A property owner can qualify for funding under this program if their front façade improvements in accordance with Program 13 provide exterior and/or interior universally accessible features in accordance with Program 1 and/or Program 2. Funding is available under Program 15 as follows:

- Program 13 and Program 1;
- Program 13 and Program 2; or,
- Program 13 and Program 1 and Program 2.
