

Program 7

Attainable Housing and Universal Accessibility Co-Application

This program allows the support of Program 3, 4, 5 or 6 for attainable housing to be stacked with the supports of Program 1 and/or 2 for universal accessibility.

Available Funding:

Eligible applicants who qualify for Program 3, 4, 5 or 6 AND Program 1 and/or Program 2 can qualify to receive a rebate under Program 7. Available funding is dependent on the amount of funding an applicant is eligible to receive under each qualifying program. Please see program specific information sheets for more information on available funding.

Criteria to Meet:

Property owners may be eligible for funding under this program if they create attainable housing in accordance with Program 3, 4, 5, or 6 and provide exterior and/or interior universally accessible features in accordance with Program 1 and/or Program 2.

Funding streams available in the 2023 year under Program 7 are as follows:

For Program 4 (Attainable Housing Building Permit Fee and Planning Application Fee Rebate):

- Program 4 and Program 1;
- Program 4 and Program 2; or
- Program 4 and Program 1 and Program 2.

For Program 6 (Attainable Housing Additional Residential Unit Rebate):

- Program 6 and Program 1;
- Program 6 and Program 2; or
- Program 6 and Program 1 and Program 2.

Additional Considerations for Program 7:

If an applicant qualifies for more than one of the attainable housing Programs (Program 3, 4, 5, or 6) and also meets the criteria for Program(s) 1 and/or 2, the applicant will receive funding for Program(s) 1 and/or 2 only once.
