

Brownfield Development and Attainable Housing Co-Application

This program allows the support of the Brownfield Development related programs to be stacked with the support of the Attainable Housing related programs.

Available Funding:

Eligible applicants who qualify for Programs 3, 4 and/or 5 to support attainable housing developments AND Programs 8, 9, 10 and/or 11 can qualify to receive a rebate under Program 12. Available funding is dependent on the amount of funding an applicant is eligible to receive under each qualifying program. Please see program specific information sheets for more information on available funding.

Criteria to Meet:

A property owner can qualify for funding under this program if they meet the eligibility for one (1) or more attainable housing programs and one (1) or more brownfield redevelopment programs.

The application must qualify for at least one attainable housing program and brownfield redevelopment program to qualify for a for Program 12.

Programs 5 and 9 (TIER) may be stacked up to a maximum 100% of the municipal tax incremental increase.
